Hello, my name is SeoYoo Young.

First of all, I would like to thank all the teachers at the GELC for giving me a great experience in these short five days. All the classes were so fun and good, but the best classes were emergency class, restaurant class, and music class. Also, the stamps made English more interesting. Lunch was so good, too!

GELC must be the best English Center in Korea.

Thanks to the teachers, English has been so much fun.

Thank you and good bye! I hope to see you again!

Bye-bye!
