Gyeongsangbuk-do
Office of Education

Welcome to Dokdo Cyber School of the Gyeongsangbuk-do Office of Education.

Dokdo is Korean land from the prehistoric times through Silla, Goryeo, and Joseon to today, and it is a precious ground that will eternally prosper with the Korean people.

The Gyeongsangbuk-do Office of Education operates the Dokdo Museums and the Dokdo Virtual Experience Centers in six locations within the province and provides education on Dokdo through annual visits to Dokdo Islands.

The Gyeongsangbuk-do Office of Education opened Korea's first Dokdo Cyber School and established a Dokdo education platform that transcends time and space based on the accumulated outcomes of Dokdo education, which will allow not only students but all Korean people to learn about Dokdo more easily.

Dokdo Cyber School will lead the globalization and actively help students and the general public play an important role in protecting Dokdo. (Dokdo cyber school will actively help students and the general public play a vital role in protecting and proliferating/globalizing the existence and knowledge of Dokdo.)

Thank you for your interest in the Dokdo Cyber School of the Gyeongsangbuk-do Office of Education. With your continued support, our school will become a valuable educational space contributing to protecting Dokdo, a gem in the land of Korea.

Thank you.
