What is the woman's favorite ice cream flavor?

What Flavor Do You Like?

What do you want to be in the future? To answer this question, it is wise to consider what kind of person you are. Here is a way to find your hidden personality through your favorite ice cream flavor. Dr. Alan Hirsch found that fans of vanilla were likely to be emotionally expressive. Strawberry lovers tended to be logical and thoughtful. Rainbow sherbet lovers were usually analytical and decisive. In addition, fans of coffee-flavored ice cream were not concerned about the future, but rather passionate about the moment. Dr. Hirsch explains that your favorite ice cream flavor taste is set during childhood and tends to remain consistent throughout your life.
