

Recommendations for preventing novel coronavirus infection

Recommendations for preventing infectious diseases

Wash your hands
with soap and running water
especially your palms and
under your fingernails

Cover your mouth
with your sleeve
when **coughing!**

If you experience
respiratory symptoms such as cough,
must wear a mask
(mandatory when visiting health facilities)

Inform medical staffs
of your travel history
when visiting
selected clinics* (health facilities)

Consult with **your local public health center**
or call '1339' or 'Area Code +120'
if you are suspicious of **contract**
an infectious disease

*For more information on selected clinics : Check KCDC homepage,
Call local Health centers or call at 1339 or your area code + 120
